

# New York's latest crop of luxury residential developments

ARCHITECTURE / 27 SEP 2016

## 150 Rivington

Sheer vertical panels cumulate a lively tempo across the exterior, guiding the eye up to the four penthouses crowning the building. Housed within a collection of glass cuboids, clear-cut from the rest of the building, each penthouse boasts two outdoor spaces, including a terrace off the living space and a roof garden.
